Just an editor's note to give you some helpful info as well as to help fill some space on this page: First of all some of the pictures featured are not to scale—just like on your cereal box they're enlarged to show texture and detail. Next, all of our "I love my" dog stones have moved to the very end of the stone section. Also, please notice our improved pictures still bearing the same item name... the Large Box Turtle, the Newborn Fawn, and the Cocker Spaniel Chin on Ground. And our "3D" stones have now created a new category called ROCKS...Lastly, we want to remind you to not let any standing water or soil stay in birdbath bowls or planters, as it may freeze and break the piece.

Thank you and have a great year!
